4th May, 2023

Dear Madam/Sir,

As you aware, in line with the recommendations of the National Education Policy (NEP 2020), the University Grants Commission has notified the University Grants Commission (Academic Collaboration between Indian and Foreign Higher Educational Institutions to offer Twinning, Joint Degree and Dual Degree Programmes) Regulations, 2022 in the official Gazette of Government of India on 2nd May, 2022. The Regulations are available on the UGC website (www.ugc.ac.in).

These Regulations lay down the minimum standards for academic collaborations between the Indian Higher Educational Institutions and Foreign Higher Educational Institutions to offer Twinning, Joint and Dual Degree Programmes.

Such academic collaborations will bring about mobility of students/faculty and promote joint research. These Regulations will make quality higher education accessible to Indian students. Further, the aspiring Indian students will be able to obtain degrees from reputed Foreign Educational Institutions at a fair and modest cost. The employability potential of the students will also be enhanced through global exposure.

In this regard I am pleased to inform you that in order to facilitate the collaboration among Indian and US HEIs, UGC has been designated as the Nodal authority to coordinate outreach activities of Indian universities with US universities. As your institution is eligible to collaborate with the foreign institutions for offering dual/twinning/joint degree programmes, you are requested to kindly let us know the possibility of having academic collaboration with the US HEIs. You are also requested to identify and contact your partner institution in the US and the details of the same may kindly be shared with us on email : ugcic2@gmail.com, latest by 16th May, 2023 positively.

With regards,

Yours sincerely,
